Choose the Services You Need

Move Planning, Organizing & Downsizing

Your personal Move Manager works with you to handle all the details of planning and preparing for a move.

- Sort and organize spaces and belongings.
- Develop an overall move plan.
- Create a customized floor plan for your new home.
- Help you decide what to keep, sell or donate.
- Pack with care and intention.
- Refer trusted movers for moves near and far.

Move Day & New Home Set Up

Your Move Manager will execute the plan on move day allowing you to relax while we make your new house feel like home.

- Meet and instruct the movers.
- Unpack boxes and put everything in its place.
- Ensure correct furniture placement.
- Make beds, set up kitchen and bath.
- Remove boxes and packing materials.

Home Dispersals

When you can't take everything, we manage the process of dispersing what is left.

- Work with trusted resources to find the next best place for everything.
- Arrange shipments to family near and far.
- Manage full home clear outs to prepare the home for next steps.

Home Staging

Beautifully staged homes spend less time on the market and sell for more than non-staged homes.

You only get one opportunity to make a first impression. Our beautiful furnishings and contemporary design elements create a home that is warm and inviting. We also offer Home Staging Lite™.
