Choose the Services You Need

Move Planning, Organizing & Downsizing

Your personal Move Manager works with you to handle all the details of planning and preparing for a move.

- Develop a move plan and timeline
- Create a customized floor plan for your new home
- Hands-on support to guide you through the downsizing process and help you decide what to keep, sell or donate
- Pack with care and intention
- Refer trusted movers for moves near and far

Move Day & New Home Set-Up

Your Move Manager will execute the plan on move day, allowing you to relax while we make your new house feel like home.

- Meet and supervise the movers
- Unpack and put everything in its place
- Make beds, set up kitchen and bath
- Remove boxes and packing materials
- Welcome home!

Home Dispersals

When you can't take everything, we manage the process of dispersing what is left.

- Arrange shipments to family near and far
- Work with trusted resources to find the next best place for everything

Home Staging

Professionally staged homes spend less time on the market. Our beautiful furnishings and contemporary design elements create a home that buyers will love. We offer full Home Staging and Home Staging Lite™.

The Difference Between Movers and Move Managers

Move Managers orchestrate the entire move **and** all of the details!
